

2026 Par Chuters League Information

Par Chuters is a Boeing Employee Golf Association (BEGA) league that has played at Foster Golf Links for more than 70 years. Our membership consists of new and experienced golfers who enjoy getting out in the evening, making new friends and having fun. We play 9 holes of golf on Wednesday evenings at 4:45 pm or whenever the ReTees (men's league that plays before us) are finished with the tees. Players should be ready to play by 4:30. If that is not possible, notify the secretary as early as possible and she will organize the groups to accommodate schedules. League play runs for 2 half seasons of 10 weeks each: April 15 - June 17 and June 24 - August 26. We will hold practice sessions on March 25, April 1, and April 8 (weather permitting). Players accumulate points during each half season. There is a playoff on September 2 for the division winners of each half. We also have weekly competitions with monetary prizes awarded at the end of the season. If the weather is bad on April 15, we may slide the schedule to start on April 22. If we are able to play on April 15 and we need to cancel another week for inclement weather or smoke, we will extend the season one week.

Par Chuters is a small group with a wide range of golf abilities. When we have more than eight players for a round, the group will be divided by handicap for Weekly Competition prize money determination. Par Chuters is actively recruiting new members. New members do not need to have an existing golf handicap or previous experience in a club or league. Anyone who works for or retired from Boeing, as well as spouses, domestic partners or family members of Boeing employees/retirees is eligible to join. Customers, contractors, and suppliers who are stationed at Boeing and their spouse/domestic partners are also eligible. The associate member category includes a variety of other non-dependent family members who have an eligible sponsor. Any existing member of a BEGA league who recruits a new member (someone who was not a member in 2025) to a BEGA league will receive a \$5 rebate per recruit from BEGA (maximum 3).

Par Chuters members are encouraged to play in Field Day at the end of the season. Field Day is usually held on a Sunday and will be for 18 holes of play. Members with GHIN numbers are responsible for posting all of their league rounds and Field Day scores.

BEGA hosts several golf tournaments throughout the season that league members are eligible to participate in. Tournament information and other BEGA news are available on the BEGA website at: <https://begagolf.org>. Members who want to play in tournaments are strongly encouraged to have a Golf Handicap Index Number (GHIN) even though it is not required by BEGA this year. If you don't have a GHIN number or want to renew your existing GHIN number via BEGA rather than another club, use the Women's Handicap link on the left side of the BEGA home page. Members are encouraged to use the online payment system as it reduces the work of the officers who kindly volunteer to do the jobs that keep BEGA running.

We hope you will be able to join us on Wednesday evenings!

President/Vice President: Marci Hickok – marcirhickok@gmail.com

Secretary: Marilyn Goo – mbgoo74@icloud.com

Treasurer: Barb Mullis – barbmullis@comcast.net

2026 PAR CHUTERS MEMBERSHIP FORM
